Nigeria's EndSARS rally met with tear gas from police

Police fired tear gas and water cannon at protesters gathered at the Lekki toll gate in Lagos to mark the second anniversary of the #EndSARS demonstrations. Amnesty International reported that more than 40 #EndSARS protesters were still in prison two years on.

How this report was compiled

Every record in this report is compiled by hand from reports published by named rights monitors, news outlets and official bodies, and links to the source it draws on. Each record is dated to the incident where its source gives that date, and otherwise to the date the source was published. The figures show what has been recorded, not the full extent of what has happened: incidents that were never reported do not appear, and a state with few records is not necessarily a state where little took place.
